

Here Is How to Create Quizzes on Google Forms

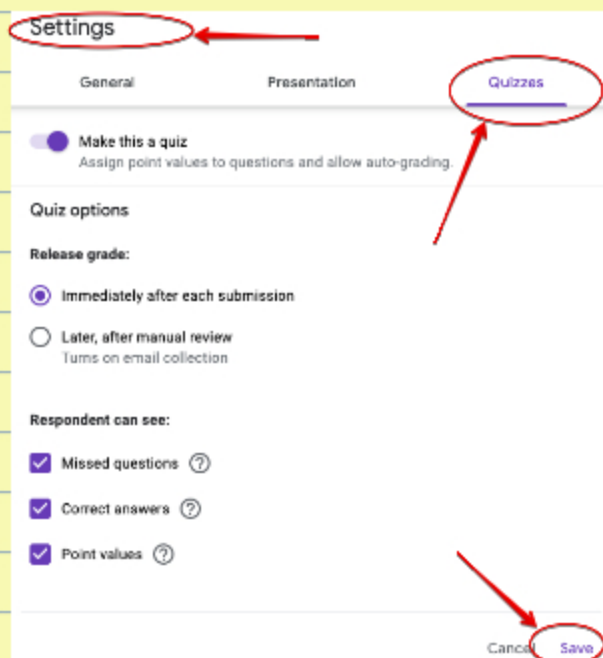

www.educatorstechnology.com

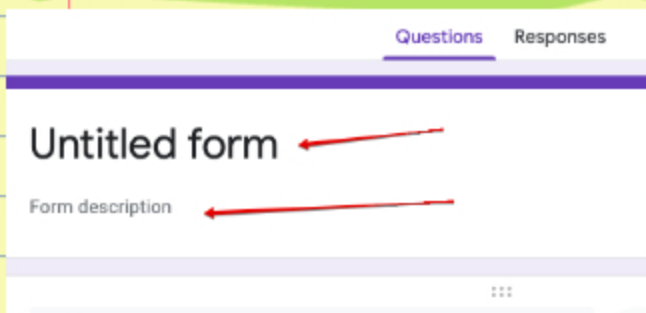

1) Open Google Forms and start a new blank form

2) Go to settings and select Quizzes

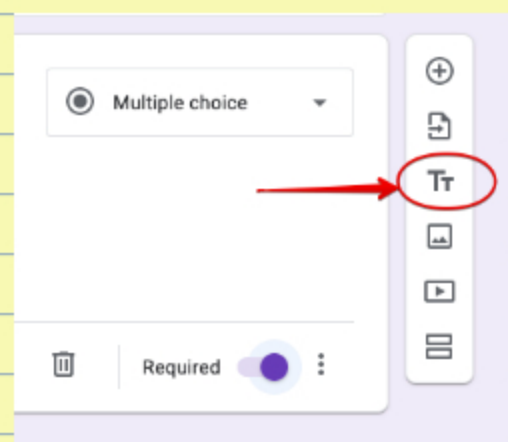

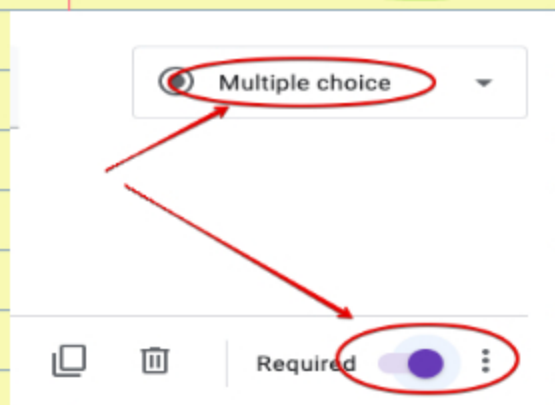

3) Title your quiz and write a short description of it

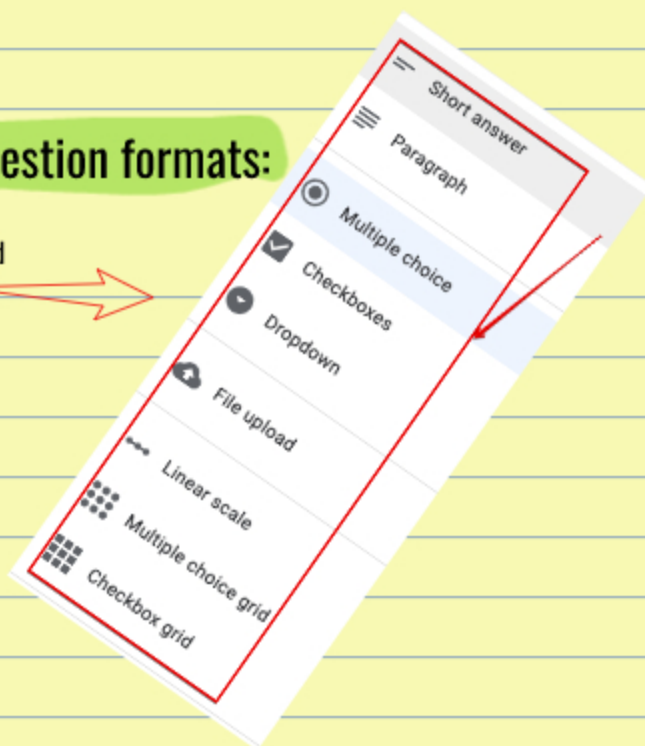

5) Provide clear instructions on your multiple-choice questions

4) Create multiple-choice questions and remember to make them 'required'

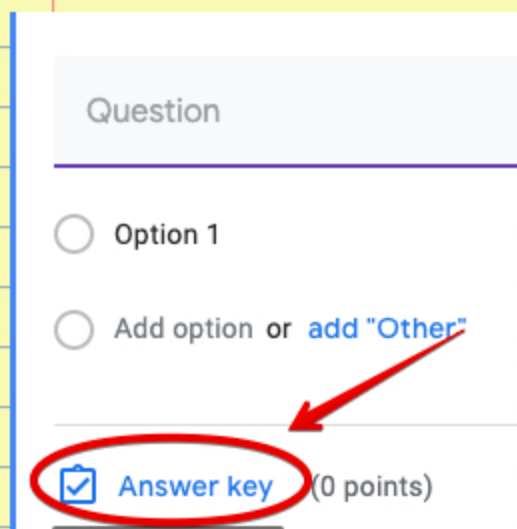

6) Add other question formats:

- 1- Multiple choice grid
- 2- Checkbox grid
- 3- Paragraph
- 4- Short answer
- 5- Linear scale

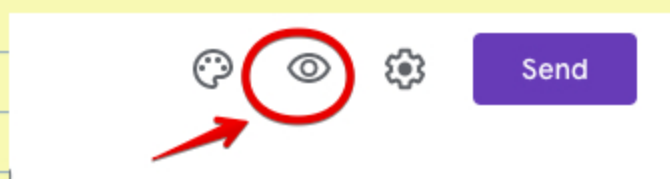

7) Assign point values and make an answer key

Click on the a question you created, select Answer Key, choose the correct answer, and assign a point value for the question

8) Preview your quiz

9) Share your quiz
